Janae Fulton, LCSW

CRCHC WELCOMES JANAЕ FULTON, LCSW

Concord, NC – Cabarrus Rowan Community Health Centers, Inc. (CRCHC), is pleased to announce that Janae Fulton, LCSW has joined the Federally Qualified Community Health Center and will be seeing patients at Logan Family Medicine, located at 298 Lincoln St., SW, Concord, NC 28025.

Janae Fulton, LCSW joins CRCHC bringing a wide range of experience working with different health populations and settings. Fulton began her career counseling inmates at the SCDC (South Carolina Department of Corrections) prison system. After that, she relocated to Tampa, FL for a few years to work as a Forensic Specialist, assisting those with mental health disorders avoid recidivism. Fulton also worked as a Community Based Therapist, and relocated to Charlotte, NC where she worked as an ACTT (Assertive Community Treatment Team) Therapist on an Adult ACTT Team, as well as a Community Based Family Centered Treatment Clinician, working with families and children as a Child ACTT Therapist.

Janae graduated from the University of South Carolina for her undergrad and graduate degree. She obtained her BSW and completed their Advanced Standing Program and then received her MSW. Fulton is now a Licensed Clinical Social Worker.

“I chose this profession because I am passionate about mental health and want to assist others in recognizing their worth”, says Janae Fulton, LCSW. “Many people are unaware of the unhealthy thinking patterns and habits that are contributing to their emotional distress. I’m here to shed light on these things and help patients gain a different perspective that could possibly change their quality of life.”

Cabarrus Rowan Community Health Centers, Inc. (CRCHC) is a community-based nonprofit organization founded in 2003 and dedicated to positively impacting the health of the community. CRCHC serves more than 12,000 patients annually by providing quality medical, dental, and behavioral health services, without regard for a patient's ability to pay, and serves as a community resource for eliminating health disparities.
