CRCHC Offering Mammography Services in October 2022

Concord, NC – Cabarrus Rowan Community Health Centers, Inc. (CRCHC), will be offering mammography services in October 2022 through the mobile unit.

CRCHC has executed an agreement with Invision Diagnostic and will be adding Dr. Kenneth Fox Radiologist to the organization to conduct screening mammograms via mobile unit starting October 24th at McGill and October 25th at China Grove. The mobile mammogram unit will be partnered with the CRCHC unit those days each month at the locations. Mammography is the most accurate method of detecting breast cancer in its early stages. Patients can schedule an appointment by calling 704-792-2242.

“I am ecstatic to see this program come to fruition. Mammograms can be expensive and inaccessible for low-income populations; by providing free or low-cost mammograms, CRCHC can help ensure that our community has access to this important health screening. This is a great way to prevent cancer and to save lives.” Said Don Holloman, M.Ed, CHCEF Chief Executive Officer at CRCHC

Cabarrus Rowan Community Health Centers, Inc. (CRCHC) is a Federally Qualified Healthcare Center (FQHC) community-based nonprofit 501 © 3 organization founded in 2003 and dedicated to positively impacting the health of the community one patient at a time. CRCHC serves more than 15,000 clients annually through a network of eight locations across Cabarrus and Rowan counties in North Carolina that provide quality medical, oral health, behavioral health and ancillary services, without regard for a patient's ability to pay, and serves as a community resource for eliminating health disparities.
