

CRCHC Pharmacy Opening

01.25.2024 [CRCHC News](#) | [Pharmacy](#)

Concord, NC – *Cabarrus Rowan Community Health Centers will be opening CRCHC Pharmacy inside of the McGill Family Medicine and Dental Clinic.*

CRCHC has partnered with TrueCare Pharmacy to open an in-house pharmacy. This partnership will allow CRCHC to provide its patients with a convenient and accessible option for filling their prescriptions. Patients will no longer have to travel to a separate pharmacy to obtain their medications, saving them time and money. Additionally, the in-house pharmacy will improve communication and coordination between the healthcare providers and the pharmacists, ensuring patients receive the best possible care.

"The partnership between TrueCare Pharmacy and the Cabarrus Rowan Community Health Center is truly a game-changer for our community. By partnering with such a well-respected community health service and integrating TrueCare Pharmacy's personalized prescription services within their clinic, we're truly creating a one-stop shop for patients," said David S. Line, PharmD of TrueCare Pharmacy. "This means increased accessibility to essential medications and healthcare services. The collaboration will streamline the patient experience and health process, promoting better coordination between pharmacy and clinical services. This not only enhances the patient's experience but also ensures a more comprehensive and holistic approach to our patient health services. Together, we aim to positively impact the overall health and well-being of our community, through personable helpful and timely service and personalized care." said Line.

CRCHC Pharmacy will be open from 8 AM – 5 PM Monday through Friday and will serve established CRCHC patients and referred patients. "We are beyond excited to be opening our first of several pharmacies throughout our network of 9 plus health centers in partnership with TrueCare pharmacy directly inside our McGill location. This service expansion allows us to continue our mission of improving the quality of our community, one patient at a time." said CEO Don Holloman.

Cabarrus Rowan Community Health Centers, Inc. (CRCHC) is a community-based nonprofit organization founded in 2003 and dedicated to positively impacting the health of the community. CRCHC serves more than 15,000 patients annually by providing quality medical, dental, and behavioral health services, without regard for a patient's ability to pay, and serves as a community resource for eliminating health disparities.
